INTRODUCTION TO OUTDOOR PORCELAIN TILE PAVERS

COURSE DESCRIPTION

This course aims to describe the characteristics of 3/4" inch thick Porcelain Pavers, a line of products that is perfectly suitable for the outdoors, or wherever superior technical characteristics and safety is required.

LEARNING OBJECTIVES

- Be familiar with the advantages of porcelain pavers in outdoor settings.
- Understand different areas of use for porcelain pavers.
- Understand proper installation methods for porcelain pavers, coping and trim pieces.
- Learn the many ways of how porcelain pavers can be laid.
