

## TEMPORARY ROAD LAYOUT CHANGES IN SASSUOLO AND CASALGRANDE

### Closure of Ponte della Veggia bridge

The Ponte della Veggia bridge will be closed for structural work

**from 16 June to 16 August 2025**

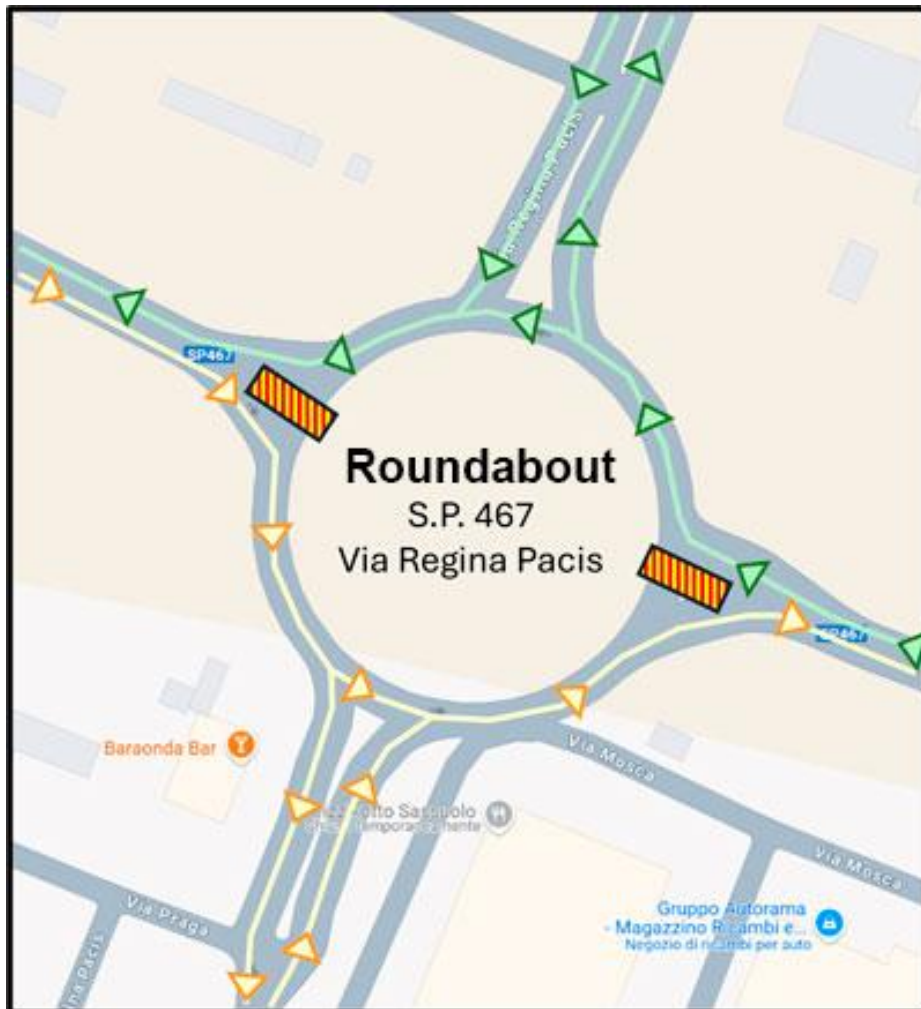

The Ponte della Veggia bridge will be closed to vehicle traffic. As a result, all traffic will be diverted to the bridge on the Strada Pedemontana (S.P. 467), which will serve as the sole river crossing during this period.

## Road layout changes

Temporary changes will be made to the layout of the **SP 467 – Via Regina Pacis** roundabout.

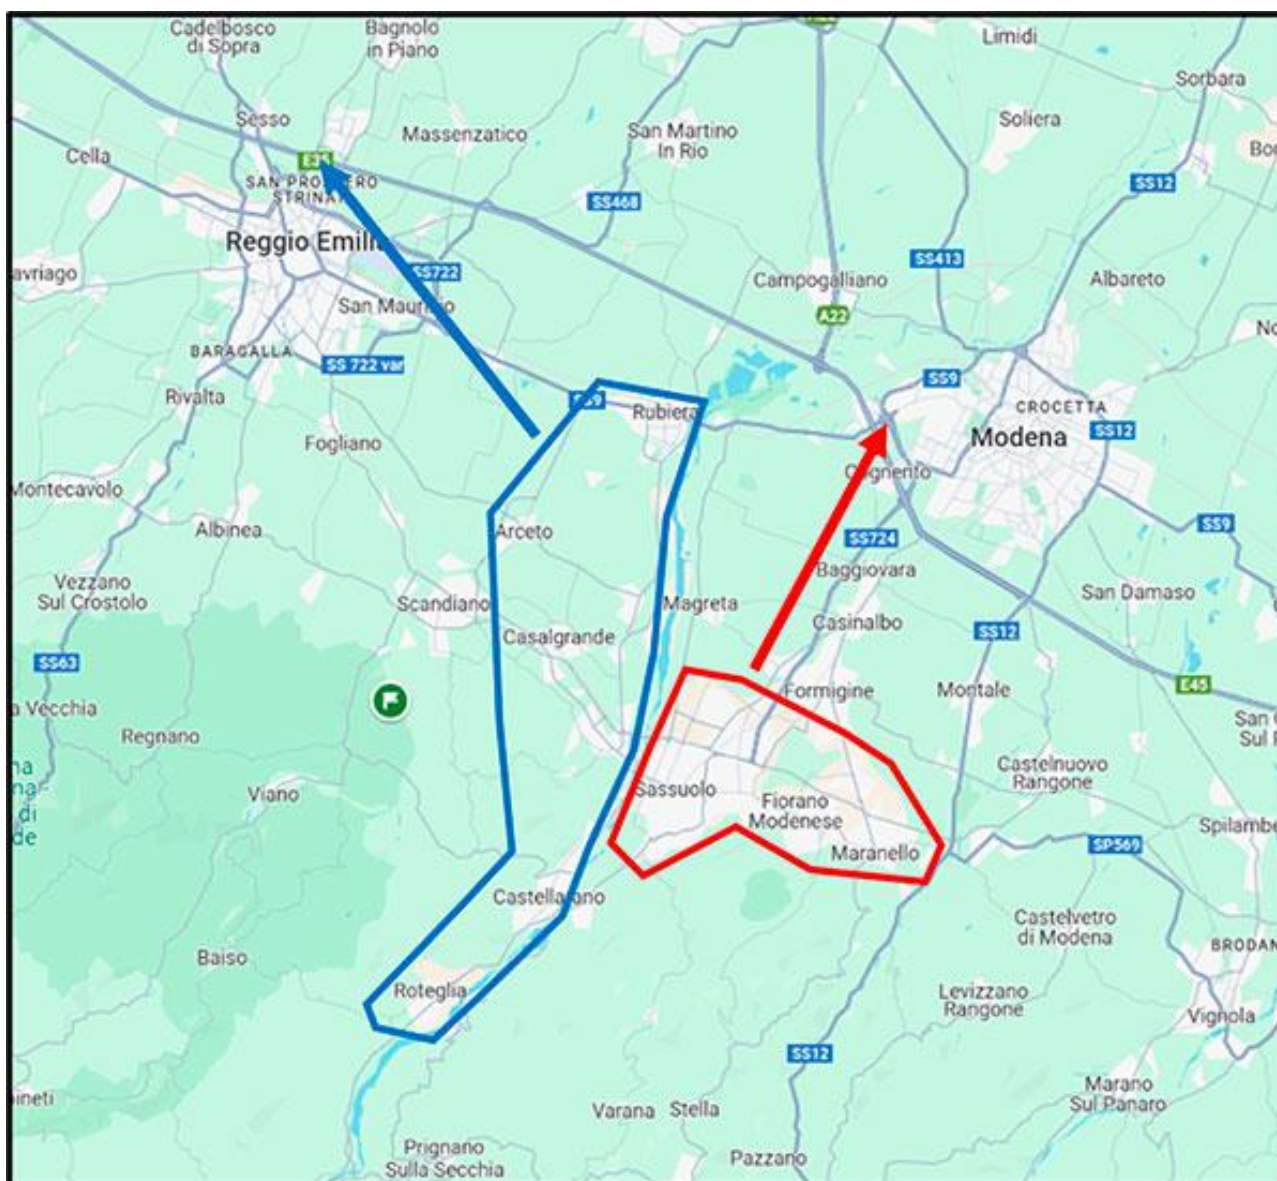

**No north-south crossing of the roundabout will be permitted**

## Motorway access

Due to traffic disruption on the bridge, we recommend using the motorway junction closest to your departure point:

- Departing from Casalgrande, Roteglia, Castellarano, etc. → Reggio Emilia A1 motorway junction
- Departing from Sassuolo, Fiorano Modenese, Solignano, etc. → Modena Nord A1 motorway junction
